*Project Narrative* — Please respond in a few sentences or more.

**Project Purpose and Goal** Do you feel that your project fulfilled its purpose? Did you meet your goals and objectives? Describe how the students benefited in student achievement. Did you achieve the expected results?

**Student Involvement** Describe the number and type of students affected by the project. Define how often, or the amount of time students spent with the project.

**Collaborative Model** Beside yourself, list the teachers/administrators involved in the project. Describe the collaboration amongst the teachers and administrators.

**Evaluation Plan** Did you finish your project on time? If not, why not? Did you follow your plan and timeline for assessing and evaluating the project's success in meeting its student achievement goals? Did you feel this was helpful to the success of your project?

**Project Budget** Do you now feel you requested an adequate amount of money for your project? If not, what would you do differently? Did you receive funding or in-kind services from other sources to complete your project? If so, please list other funding sources and what they provided.

## Application Process
